

REMARKS

Applicants respectfully request that this Amendment be entered to put the Application in better form for consideration in a Request for Continued Examination.

By means of the present Amendment, independent claims 1, 9 and 11-13 have been amended for clarification, and new independent claims 15-16 have been added. This amendment does not change the nature of the arguments previously made which are incorporated herein by reference.

In the Advisory Action, Paragraph [0071] of U.S. Patent Application Publication No. 2002/0,064,764 A1 (Fishman) is referred to and alleged that "video and physical movement correspond to condition "(iii) moving information is displayed" of independent claims 1, 11 and 12". Without agreeing and assuming, arguendo, that the above allegation is correct, independent claims 1, 11 and 12 have been amended to delete "(iii) moving information is displayed". Accordingly, it is respectfully submitted that amended independent claims 1 and 11-12 be allowed.

Further in the Advisory Action, it is noted that independent claims 1 and 11-13 do not recite "only a part". By means of the present amendment, independent claim 13 has been amended and new

In view of the above, it is respectfully submitted that the present application is in condition for allowance, and a Notice of Allowance is earnestly solicited.

If any informalities remain, the Examiner is requested to telephone the undersigned in order to expedite allowance.
